TITLE 138 NEBRASKA FAIR EMPLOYMENT PRACTICE ACT

Chapter 2 Procedure

2.001. Filing and Withdrawal of Charge.

2.001.01. Who May File. Any person charging on her or his own behalf to have been personally aggrieved by an unlawful employment practice or practices may make, sign and file with the Commission a charge in writing under the oath or affirmation of the Complainant. A charge may be filed by a legal guardian or an individual with a power of attorney on behalf of another person who claims to be personally aggrieved by an unlawful employment practice or practices.

2.001.02. Form. A charge shall be filed with the Commission. The charge shall be signed by the Complainant or legal guardian or an individual with a power of attorney on behalf of another person who claims to be personally aggrieved by an unlawful employment practice or practices under oath or affirmation before a notary public or other person duly authorized by law to administer oaths or affirmations. The charge may be filed on forms provided by the Commission, blank copies of which will be supplied by the Commission upon request and will be available at the Commission offices. The original charge shall be duly affirmed within three hundred (300) days of the alleged discriminatory act if it was not notarized in its original form. Notarial service will be provided without charge by the Commission.

2.001.03. Contents. A charge shall contain the following:

2.001.03A. The full name, address and telephone number, if any, of the person making the charge.

2.001.03B. The full name, address and telephone number, if known, of the Respondent.

2.001.03C. A plain and concise statement of the facts alleged to constitute an unlawful employment practice or practices.

2.001.03D. The date and place in the State of Nebraska where the alleged unlawful employment practice or practices was committed.

2.001.03E. A statement as to any other action instituted by or on behalf of the Complainant in any other forum, or under the grievance or arbitration provisions of a collective bargaining agreement, based on the same facts as alleged in the charge, together with a statement as to the status or disposition of such other action.

2.001.04. Place and Manner of Filing. The charge may be filed by personal delivery, mail or facsimile, addressed to any office of the Commission.

2.001.05. Amendment of Charge. Notwithstanding the provisions of 2.001.03 of these Rules and Regulations, a charge may be amended as follows: to cure technical defects or omissions; to clarify and amplify allegations made therein; to allege additional acts which constitute an unlawful employment practice or practices which are related to or growing out of the subject matter of the original charge if such facts were not known at the time the original charge was filed. All such amendments will relate back to the original filing date. Upon any amendment of a charge, a copy thereof shall be served by the Commission on the Respondent by certified mail or through personal service within ten (10) days.

2.001.06. Answer to Charge. The Respondent shall file with the Commission a written response to the written charge within thirty (30) days after service of the charge upon the Respondent. The Respondent shall file a written response to new allegations contained in an amended charge within thirty (30) days after service of the amended charge upon the Respondent. The response shall respond in full to each specific allegation contained in the charge affidavit. The Commission may reject and refuse to file any response which does not respond in full to each specific allegation in the charge affidavit. Prior to rejecting a response, the Commission shall notify the Respondent in writing that the response is deficient and which allegations need to be fully addressed. The Respondent shall have fifteen (15) days from the receipt of deficiency notice to file a full response.

Failure to file a full written response to a charge or an amended charge within thirty (30) days, except upon good cause shown, shall result in a reasonable cause finding against the

Respondent by the Executive Director. If a Respondent believes it has good cause for failing to file a response within thirty (30) days, the Respondent shall make a request for extension of time to the office of the Commission. Such request must be filed within the original thirty (30) day time period. Good cause shall be determined on a case-by-case basis, in light of all the surrounding facts. No extension of time will be granted for a period beyond sixty (60) days from the date of service of the charge upon the Respondent.

2.001.07. Interference with Commission's Investigative Process. After the charge has been filed and served on the Respondent, neither party, during the Commission's investigative process, is allowed to conduct their own formal investigation of the NEOC charge that would consist of the scheduling of depositions, the serving of interrogatories, or requests for production of documents on the opposing party outside of the NEOC's investigation procedure. Any person who attempts to conduct such an investigation will be deemed to have interfered with the Commission's investigative process. This provision does not preclude Respondents from conducting an internal investigation or participating in any lawful recognized tribunal, including, but not limited to, Workers' Compensation Court proceedings, unemployment compensation proceedings, and labor grievances.

2.001.08. Time of Filing. The charge must be filed within three hundred (300) days from the date of the occurrence of the alleged unlawful employment practice or practices.

2.001.09. Withdrawal of Charge. A Complainant may request in writing that a filed charge or any part thereof be withdrawn. The Commission shall serve a copy of the request for withdrawal to all parties previously notified of the charge. The Commission may reject a request for withdrawal in the interests of justice if it believes that such action was taken as a result of coercion or intimidation, or when the request has been made at the close of a full investigation. Written notice of the action taken on the request shall be sent by the Commission, by regular mail, to all parties who have been previously notified of the charge.

2.001.10. Complainant Files Action in District Court. A Complainant may file an action in state district court anytime prior to the dismissal of the charge. The Complainant shall immediately notify the Commission in writing when he or she files such an action in state district court. Upon receipt of notification of a state court suit, the Commission shall terminate all

proceedings before it and close the case. Notification that the case has been closed shall be sent by regular mail to all parties who have been previously notified of the charge.

2.002. Action Upon Charge.

2.002.01. Duties of Commission Staff. Each charge shall be docketed and given a case number. The Commission shall serve a copy of said charge on the Respondent in person or by certified mail within ten (10) days of the filing of such charge by the Complainant. Said notification shall include a letter advising the Respondent that at the Respondent's request, the Commission will engage in discussions of early charge resolution alternatives. Said notification shall advise the Respondent that a written response must be filed with the Commission within thirty (30) days or a mandatory reasonable cause finding shall be made against the Respondent. After service, the Commission shall review the charge. If it appears that the charge does not set forth a complaint cognizable under the Act, the charge shall be forwarded to the Executive Director for a determination. If it is determined that the charge does not contain allegations cognizable under the Act, the Executive Director shall administratively dismiss the charge and the Commission shall take no further action upon it.

2.002.02. Investigation. Except for those charges administratively dismissed as provided for in 2.002.01, the Commission shall institute an investigation by its employees to ascertain all of the facts relating to the alleged unlawful employment practice or practices set forth in the charge. The staff shall initially solicit information from all parties and utilize requests for production of documents, interrogatories, depositions, subpoenas or any legal discovery process recognized by the district courts for the State of Nebraska to facilitate a prompt investigation. The legal process shall conform to the rules of the district courts for the State of Nebraska. If a Respondent knowingly destroys records, knowingly fails to maintain records, refuses to provide records, or otherwise takes action with the intent to defeat the purpose of the statute, the Commission may draw an adverse inference to establish facts relevant to a determination on the merits. At its discretion, the Commission may conduct individual interviews and/or a Fact Finding Conference to assist in its investigation and its attempts at mediation.

Any member of the Commission staff may contact non-management persons employed by the Respondent or former management persons without notifying the Respondent or Respondent's attorney. The Respondent is entitled to have a representative present only during the interview of current management level employees. If a question exists as to whether an

employee is a management level employee, the Executive Director shall make a determination as to the matter. In making that determination, the Executive Director shall consider a variety of factors, including, but not limited to, the employee's authority to hire, fire, discipline, assign tasks, and make and implement policies.

All interviews will be taped by the investigator unless a written and/or verbal objection is made by one of the parties. No taping shall be done after a written and/or verbal objection is received by the Commission. The tapes will be erased nine (9) months after the case is dismissed by the Commission.

2.002.02A. Fact Finding Conference. A Fact Finding Conference is a method in which the Commission brings together the parties of a charge, with or without witness(es) to give testimony.

2.002.02B. Settlement During Investigation. During the investigative process, the Commission staff may attempt to reach a settlement of the charge through mediation, arbitration, conference and persuasion. A Commission staff member may prepare a proposed settlement and forward it to the parties. If it appears to a staff member that a settlement conference would be beneficial and the parties agree to participate, a conference will be scheduled. If a representative appears on behalf of a party, that representative shall have full authority to settle the charge.

2.002.03. Dismissal. The Executive Director shall dismiss the charge if: (1) it is determined that the Commission does not have jurisdiction over the matter; (2) it is determined that there is no reasonable cause to believe that the alleged unlawful employment practice or practices have been committed; (3) the matter is adjusted and settled during the investigation; (4) the Complainant has voluntarily withdrawn the charge; (5) the Complainant has failed to cooperate fully in the investigation of the charge; (6) the Complainant could not be located after reasonable efforts; (7) the Complainant has filed an action in any court of competent jurisdiction alleging the same causes of action; (8) the same issues have been resolved by the Office of Dispute Resolution and/or any of the mediation centers within the State of Nebraska; or (9) the Complainant has obtained a Right to Sue letter from the Equal Employment Opportunity Commission.

The Commission shall notify all parties of any dismissal of a charge by regular mail; such notification shall specify the reason or reasons for dismissal.

2.002.03A. Dismissal/Full Relief. If the terms of settlement and adjustment proposed are signed by the Respondent, but not signed by the Complainant, the Executive Director may dismiss and close the case if, in the Executive Director's judgment, the terms of settlement and adjustment are satisfactory to remedy the effects of the charged employment practice with respect to the complaint.

2.002.04. Charges filed with other Civil Rights Agencies. When a charge is dually filed with any other civil rights investigative agency and the NEOC, where that agency has investigated and made a determination based upon a factual investigation, the Nebraska Equal Opportunity Commission may take the following action(s):

1. Refrain from processing the charge until such time the agency notifies the Commission that it is no longer investigating said charge;
2. The Commission shall accord substantial weight to the final findings and the orders of the agency;
3. If the Commission determines reasonable cause exists and the matter has not been settled and agreed to in writing by both parties, the Commission shall endeavor to eliminate any such alleged "unlawful employment practice or practices by means of conference, conciliation, and persuasion;"
4. If any findings of reasonable cause have been made by the agency and the matter has been successfully conciliated, the Commission may adopt such order and so cause a decision by the Executive Director to be issued; and
5. If an agency's Final Order is one of no reasonable cause the Executive Director may adopt such Order and cause a Commission decision to be issued. But if such Order is not adopted, the Commission may commence an investigation.

2.003. Reasonable Cause Findings.

2.003.01. Conciliation. Upon a finding of reasonable cause, the Commission shall transmit the letter of determination and a proposed conciliation agreement. The letter of determination shall advise the parties that the Act requires the Commission to complete its

conciliation activities within thirty (30) days of the reasonable cause finding, unless waived by the parties. The letter of determination shall also state that if the parties fail to settle the case within thirty (30) days, the case may be forwarded to the Commissioners for the purpose of ordering a public hearing on the matter. The Respondent shall notify the Conciliator of its interest in pursuing conciliation within ten (10) days of receipt of the conciliation agreement.

Within ten (10) days of receipt of a reasonable cause determination and proposed conciliation agreement, the Respondent may file a motion requesting reconsideration of the reasonable cause determination in the event there are recent court decisions or case law which disposes of the relevant issue(s). Reconsideration will not be granted for requests based on differences in interpretation of the facts or the law or a general disagreement with the basis for the reasonable cause determination.

If, after a finding of reasonable cause, and as a result of conference, conciliation, mediation or arbitration, the Conciliator determines that the effects of the discriminatory practice complained of will be remedied and eliminated by appropriate remedial action to which the parties agree, the terms of such remedial action shall be reduced to a written agreement and shall be signed by the Respondent, the Complainant, the Conciliator, the Executive Director and submitted to the Commission for their approval. Such written agreement shall be considered binding on all parties.

If conciliation is unsuccessful, the Conciliator shall notify the Complainant in writing of the options to request a public hearing or pursue the matter in either state or federal district court. The Complainant shall notify the Conciliator in writing within ten (10) days of his/her interest.

The Commission may require any party to submit to the Commission such information as it deems necessary to show the manner of compliance with the terms of any conciliation or settlement agreement to which the parties and the Commission have agreed. In the event of a breach of the agreement, the Commission shall have the authority to seek enforcement through the district court.

If, after a finding of reasonable cause, the Conciliator is unable to eliminate the alleged unlawful discriminatory practice by conference, conciliation, persuasion, mediation or arbitration, the Conciliator shall file a finding of such facts, in writing, with the Executive Director of the Commission, who will report such facts to the Commission. Upon the filing by the Conciliator of a finding of failure to eliminate the alleged unlawful discriminatory practice, the

Commission shall examine that recommendation for disposition and shall then determine what disposition shall be made of the complaint. If the Commission shall determine that such complaint should be set for public hearing, the Executive Director shall appoint a hearing officer and cause a notice of public hearing to be served upon the parties as hereinafter provided. If the Commission determines that such complaint should not be set for public hearings, it shall order the same dismissed, and the parties shall be notified by mail of such determination.

Either party may request a conciliation conference to be held by the Commission. Such request shall be made within ten (10) days after the party received the letter of determination from the Commission. The Respondent and Complainant shall appear at the conciliation conference either in person or by an attorney, or both. The place of the conference designated by the Commission shall be at a place reasonably convenient for the parties. In the event of failure or refusal of the Respondent to appear or participate in the conciliation conference, the Commission may issue a written complaint and order a public hearing. The conciliation conference can be accomplished by telephonic means.

2.003.02. Non-disclosure. The members of the Commission and its staff shall not make public what has occurred in any conciliation conference without the written consent of both parties. No stenographic report or recording shall be taken of the proceedings of any conciliation conference. Nothing said or done during and as a part of such endeavors shall be used as evidence in a subsequent proceeding.

2.003.03. Settlement and Order.

2.003.03A. Settlement Terms Approved by the Commission. If a settlement is effected in a conciliation conference, the terms of which are approved by the Executive Director, the Commission shall have the written terms of settlement and adjustment prepared and signed by the parties; and the Commission shall therefore enter upon all parties an Order in accord with the executed written terms of settlement and adjustment. Any such Order shall specify the right of the Commission and adjustment. Any such Order shall specify the right of the Commission to investigate and determine, at reasonable times, whether the terms of settlement and adjustment and the Order entered pursuant thereto have been or are being complied with. If the Executive Director determines that the Respondent has violated or is violating the terms of settlement and adjustment and the Order entered pursuant thereto, the Commission may issue a written complaint, based on the original charge of discrimination and order a public hearing thereon.

2.003.03B. Dismissal. The Commission may, without the consent of the Complainant, dismiss the charge, if, in its opinion, the matter brought forth in the conciliation conference establishes that the Respondent has eliminated the effects of the alleged unlawful employment practice or practices with respect to the Complainant or if the Respondent has offered in good faith to eliminate the effects of the charged employment practice with respect to the Complainant in such manner as to effectuate the purposes of the Act, and Complainant has refused to accept such offer.

2.003.03C. Settlement Terms Not Approved by the Commission. If the terms of settlement and adjustment agreed to by the parties are not approved by the Executive Director, the Commission need not enter upon the parties any Order in accord with said terms of settlement and adjustment, and may close the case as having been settled on terms not approved by the Commission; and in such event, the Commission need not issue a complaint and order a public hearing in the event of an alleged violation of the terms of settlement and adjustment.

2.004. Complaint; Notice of Public Hearing; Answer.

2.004.01. Issuance and Service of Complaint and Notice of Public Hearing. In case of a determination by the Commission of failure to settle or adjust a charge by conciliation or in case of a determination by the Commission that the Respondent has violated or is violating the terms of settlement and adjustment reached in a conciliation conference and the Order entered pursuant thereto, the Commission shall promptly issue and serve upon the Respondent, by personal service or certified mail, a written complaint, under oath or affirmation, together with a notice of public hearing. A copy of such written complaint and notice of public hearing shall at the same time and in the same manner be served upon all other parties.

2.004.02. Contents of Complaint. The complaint shall be signed by any member of the Commission or by the Executive Director, and shall also be signed by the Complainant under oath or affirmation, and shall contain:

2.004.02A. An allegation that the person on whose behalf the complaint is issued is a proper Complainant within the meaning of the Act.

2.004.02B. An allegation that the Respondent is an employer, employment agency, or labor organization within the meaning of and subject to the provisions of the Act.

2.004.02C. An allegation or allegations of the Commission of an unlawful employment practice or of unlawful employment practices, as alleged in the charge or charges heretofore filed with the Commission, and any other alleged discriminatory practice discovered during the investigation.

2.004.02D. An allegation that the charge of an unlawful employment practice or practices was timely filed with the Commission and properly served on the Respondent.

2.004.02E. A statement of the relief sought on behalf of the Complainant. The Commission may award attorney fees and costs consistent with the Act and applicable case law.

2.004.03. Contents of Notice of Public Hearing. The notice of public hearing shall contain:

2.004.03A. The name of the Hearing Officer who shall conduct such hearing; or in lieu thereof, a statement that the public hearing will be conducted by a Hearing Officer to be designated subsequently by the Commission and that all parties to the proceeding will be notified in writing of the name of the Hearing Officer so designated at least ten (10) days prior to the date of the public hearing.

2.004.03B. The date and hour of the public hearing shall be set by the Hearing Officer and shall not be less than twenty (20) nor more than sixty (60) days after issuance and service of the complaint.

2.004.03C. The place of hearing shall be at a place reasonably convenient for the parties; but in any event shall be held in the county where the unlawful employment practice or practices were alleged to have occurred.

3.004. Testimony and Other Evidence.

3.004.01. Testimony under Oath. All testimony taken at the hearing shall be under oath or affirmation.

No reply briefs may be filed with or will be received by the Hearing Officer conducting the public hearing.

3.007. Settlement Prior to Recommended Order and Decision.

3.007.01. Postponement or Recessing of Public Hearing. If, after issuance and service of a complaint and notice of hearing but prior to the close of the public hearing, the Complainant and the Respondent jointly notify the Commission in writing that they agreed to terms of settlement and adjustment, all of which are set forth in detail in said joint notification to the Commission, the Hearing Officer may order a postponement of the scheduled public hearing date, or a recessing of the public hearing if it is already in process. The parties shall submit to the Commission and the Hearing Officer a copy of the fully executed settlement agreement or a fully executed withdrawal form supplied by the Commission.

3.007.02. Settlement Order. If the terms of settlement and adjustment agreed to by the parties are approved by the Commission, or if said terms are modified by the Commission and are agreed to by the parties, the Commission shall have the written terms of settlement and adjustment prepared and signed by the parties; and the Commission shall thereupon enter upon the parties an Order in accord with the executed written terms of settlement and adjustment. Any such written terms of settlement and adjustment and any Order issued pursuant thereto shall have the same status and effect as any executed written terms of settlement and adjustment and Order entered pursuant thereto under 2.003 of these Rules and Regulations and shall be governed by the provisions of 2.003.03 of these Rules and Regulations, and shall be a matter of public record.

3.007.03. Dismissal of Complaint Due to Settlement. 3.007.04. Settlement not Approved by the Commission. If the terms of settlement and adjustment agreed to by the parties are not approved by the Commission, the Commission will not enter upon the parties an Order in accord with said terms of settlement and adjustment, and may close the case as having been settled on terms not approved by the Commission. In such event, the Commission will not issue a complaint and order a public hearing in the event of an alleged violation of said terms of settlement and adjustment.

3.008.02. Recommended Order and Decision Requirements. The Recommended Order and Decision shall include:

3.008.02A. The Hearing Officer's findings of fact based upon, and limited to, the testimony and other evidence in the record of the public hearing and upon evidence of which judicial notice may be taken by course of record in the State of Nebraska.

3.008.02B. The Hearing Officer's determination as to whether or not a preponderance of the evidence sustains the complaint.

3.008.02C. A Recommended Order of dismissal of the complaint, if it is the Hearing Officer's determination that a preponderance of the evidence does not sustain the complaint.

3.008.02D. If it is the Hearing Officer's determination that a preponderance of the evidence does sustain the complaint, a Recommended Order is issued requiring the Respondent to cease and desist from the unlawful employment practice or practices complained of and to take such affirmative or other actions with respect to the complaint as will eliminate the effect of the unlawful employment practice or practices complained of, including but not limited to any one or more of the following: hiring; reinstatement to employment; upgrading or promotion; restoration of seniority and/or other service-accrued rights; admission or reinstatement to membership in a Respondent labor organization; admission or reinstatement to an apprenticeship program; the awarding of appropriate back pay, costs, and attorneys fees.

3.008.02E. If a damage award is offset by unemployment insurance, the Respondent shall be responsible for contacting the Nebraska Department of Labor to determine if an overpayment in Unemployment Insurance benefits has been made to the Complainant. If an overpayment has been created, the Respondent shall be responsible for repayment to the Unemployment Insurance Trust Fund. The Commission Order shall advise the Respondent of this responsibility.

3.008.02F. In any case to which Section 3.008.02D is applicable, a provision for reasonable reports to the Commission of compliance with the Recommended Order and Decision may be required as part of a Recommended Order.

TITLE 138 **NEBRASKA FAIR EMPLOYMENT PRACTICE ACT**

Chapter 11 **Confidentiality**

11.001. Confidentiality of Charges. Except as provided by Chapter 3, charges filed with the Commission shall not be made public. Information obtained pursuant to Section 48-1118 will not at any time be made public by the Commission or its staff members. Subsequent to the issuance of a reasonable cause finding and after the conciliation process has been concluded by the Commission or subsequent to the issuance of a no reasonable cause finding, either party or counsel for either party may request a review of the information contained in the Commission's official file on said charge. Such requests must be submitted in writing to the Commission's Executive Director at its principal office at least ten (10) days prior to the date said file examination is being requested. All reviews of information contained in the official file, not otherwise confidential or privileged, shall occur at one of the Commission offices in Lincoln, Omaha, or Scottsbluff.

11.002. Request for File Review. The request for a file review must reflect the appropriate NEB case number and case name. Once the file is available, a letter will be sent stating such. The Commission must be contacted within seven (7) days to arrange for the review, or the file will be returned to storage.

Documents may not be copied in the course of a file review, but tapes may be listened to and documents may be examined. If the file review is not completed on the arranged upon date, a subsequent written request must be submitted prior to completion of the file review.

11.003. Subpoenas Regarding Case File Reviews. Subpoenas will only be honored on cases that have been officially closed by the Commission. Case files are not public records; thus, the Freedom of Information Act and the Public Records law at 84-712.05 do not apply. Case files will not be released to individuals who are not parties to the case. The Commission will challenge such subpoenas by filing a motion to quash with the relevant court. If counsel is

representing a party, the counsel must be the attorney of record. If a letter of representation has not been received by the Commission, the subpoena will not be complied with.

The properly completed subpoena must reflect the appropriate NEB case number, name of Complainant and Respondent, and court docket number, and should be sent to the attention of the Executive Director at the principal office a minimum of ten (10) days in advance of the date the file is to be retrieved. The party submitting the subpoena will retrieve the file unless other arrangements are made by the Executive Director. A letter confirming the availability of the file will be sent, and the file must then be retrieved within seven (7) days. Upon retrieval, the party must sign for receipt of the file. The file should not be made available to another party. If counsel representing each party wishes to review the file, separate subpoenas must be submitted. If counsel is located out of state, local counsel must be obtained unless approved by the Executive Director. It is not the Commission's normal practice to send case files out of state.

Following receipt of the case file, copies of documents and/or tapes may be made. The file may only be kept for a period of ten (10) days. Files may be returned to any Commission office and must be in the same condition they were in when received. Files returned by mail must be sent certified. Failure to return the file within ten (10) days may result in a motion to compel and request for sanctions.
